MARGIE WARRELL

Best selling author and internationally recognized expert in human behavior

Margie Warrell is a bestselling author, Forbes columnist and leadership expert who draws on her background in Fortune 500 business, psychology and coaching to embolden braver leadership in organizations such as NASA, Shell, Deloitte, Google, Salesforce and Johnson & Johnson.

Founder of Global Courage leadership advisory, Margie sits on the advisory board of Forbes School of Business & Technology and is a regular expert commentator to leading media including CNN, The Today Show and Bloomberg.

A Women's Economic Forum honoree, Margie walks her talk when it comes to living bravely, having ventured out of her comfort zone countless times since growing up in rural Australia.

Most recently she climbed Mt Kilimanjaro with her husband and four children.

Her latest book is
You've Got This! The Life-Changing Power of Trusting Yourself.
